Lift extra flat MAROLOWLIFT 1200 W Hydraulic - Electro-hydraulic pump with desk - BLACK

RESUPPLY

SKU : 804400Y

Details

Extra-flat lift, designed for practicality when working with heavy and/or low ground clearance vehicles

- Extra flat lift : only 80 mm (3.2") tall when lowered
- Double hydraulic jack, equipped with safety valves
- Wide, reinforced, and automatic access ramp
- Retractable front for easy wheel access
- Rear trap door
- Reinforced platform, suited for heavy vehicles
- Pneumatic connexion, to power pneumatic tooling
- Electro-hydraulic pump integrated into a side console
- Controls are set at a safe distance from the lift to prevent any injuries (e.g. crushing of feet)
- Sound signal alerts nearby personnel as the platform is lowered

MORE VIEWS

Max. height : 1.20 m

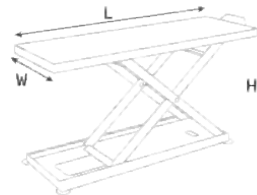

Max. capacity : 600 kg

CE compliant

Specifications
